

Assumptions:

- Every subcommittee has at least one member
- A member can only be the Chair of one subcommittee
- Every subcommittee has a unique name
- Every hotel room has at least one student in it
- A sponsoring company can post many job ads
- If a job ad is posted, it had to have been from only one sponsoring company
- Speakers are different from students, professionals, and sponsors
- The exact same session can happen more than once over the two days
